Sir,

A list of officers on plague duty in this district is herewith submitted as required by Plague Standing Order No.22.

2. The town of Mangalore still continues to be plague-infected and recently there has been an increase in human mortality on account of plague. It is, therefore, desirable to retain the existing staff detailed under Section III, Municipal, including the Plague Divisional Inspector under Section I, Provincial, for systematic rat destruction, especially during the ensuing

hot season. I accordingly request Government to renew their sanction for the further retention of the staff in question during the half year ending 30th September 1923.
